The proposed provision is to apply, not only to the dealers who will be granted licenses hereafter but also to these who have already been granted licenses in the existing form. In that case it would not be sufficient to insert the proposed provision as a condition in the license (in Form A) as suggested in the F.D. (Supply) office note. The requisite provision will have to be made in the main body of the Bombay Retail Trade Control and Licensing Order, 1942, in order that it may be applicable to all the licensees (including those who have already been granted licenses). A new clause 6A as at B-B on page 9 may therefore be inserted in the Order itself.

The Bombay Retail Trade Control and Licensing Order, 1942, has been brought into force in the five Municipal areas of the Satara District specified in Finance Department (Supply) Notification No.76(1)/II(2), dated the 5th April 1943. For the reasons stated in his letter No.A.D.M. 1933, dated the 27th January 1944, the District Magistrate, Satara requests that the agriculturists selling the produce of their own fields on bazar days within the areas of the said five Municipalities may be excepted from the operation of the said Order. In the Finance Department (Supply) notes it is stated that the proposed exemption should be extended only to bona fide agriculturists and not to landlords. To achieve the object, action can be taken under the special provision made in clause 8 of the Bombay Retail Trade Control and Licensing Order, 1942. A revised draft notification is appened.
